

GALLERY 111

A Digital Art Exhibit

Burbank School District 111's Art Exhibition was held on Tuesday, May 2, 2017. The artwork of our outstanding artists was displayed and proudly exhibited for everyone to view and admire. Three winners were selected from each school and those pieces are currently on display in the board room at the Administration Building. We have created a digital exhibition of each piece from the event. We welcome everyone to view the 2017 District 111 Art Exhibition by simply clicking on the following link:
