

2018-19 School Year

MEALS

District 111 operates a federally funded U.S.D.A. hot breakfast/lunch program in all buildings. A monthly menu is sent home and can also be accessed on the District 111 web site, by clicking on District Info. A newsletter will be sent to parents/guardians on the meal program and associated student costs. Students are expected to maintain a positive balance on their meal debit card at all times. Notification will be sent to parents when the account balance falls to a low level. Negative balances may result in alternative meals. Delinquent fees may be turned over to a collection agency. Children must follow breakfast/lunch rules and procedures as established by the school. In accordance with the U.S.D.A., students may not share components of the school breakfast/lunch program.

All District 111 students will be issued a Student ID Card on a breakaway lanyard. The Student ID Card is used as the meal debit card. (Note: Money is non-refundable)

Meal Prices		Reduced Meal Prices	
Breakfast	\$1.55	Breakfast	\$.30
Lunch	\$2.75	Lunch	\$.40
Milk	\$.55

FREE/REDUCED BREAKFAST AND LUNCH PROGRAM

District 111 students may be eligible to receive free/reduced breakfast/lunch through the National School Lunch Program. Each family with children enrolled in District 111 will receive the eligibility guidelines and application form at the beginning of the school year. Applications may be submitted at any time during the school year. Questions regarding the Free/Reduced Breakfast/Lunch Program should be directed to the Building Principal.

Application procedure:

- ✓ Your child may qualify for the free/reduced breakfast/lunch program if your household income falls within the limits established by the Federal Income Chart.
- ✓ Free and Reduced-Price School Meals Application Forms must be completed annually.
- ✓ Foster children are eligible upon completion of the Free and Reduced-Price School Meals Application form.

Please see next page for federal income eligibility guidelines.
