09/12/2016

Dear Liberty Parents,

I would like to welcome everyone back to school and I hope the transition for our 7<sup>th</sup> grade students has gone smoothly. We have concluded our MAP benchmark testing window this week and we will be in the full swing of things by Wednesday of this week.

As some of you may have noticed, our bus situation has been a bit overcrowded from the start of the year. In an effort to help decrease the number of students on the school buses, we have added several new bus routes. As a result of the additions, almost all routes have had stop and time changes. Bus route #20 is the only route that has not been affected. I have attached a copy of the new stop sheet to this letter. The new changes will begin on Monday, September 19<sup>th</sup>.

In an effort to inform all parties that will be affected, I will be sending an automated phone call home this Friday to remind parents of the new route times and stops. We will be working with the bus company to issue new id's to students with route change. If your child is on a stop that is changing, please ask them to go to the office and get a new updated id. The following stops will have new bus routes:
