

Burbank School District 111

Board Briefs

July 27, 2016

Board of Education Meeting Summary

- Denise Flavin gave a brief update on the 2016 Summer School program. She reviewed the curriculum and materials used for each session. She also thanked the staff and summer school Principal Catherine Papadakis.
- The architects from Cannon Design, Inc. gave a Power Point presentation update on the Burbank School construction project. They reviewed the many focus group meetings that were held before the initial design phase began. They also briefly reviewed items discussed at the steering committee meetings which are being held almost weekly. A rough scheme of the new building layout and grounds were presented.
- The EIS Administrator and Teacher Salary Report for the 2016-17 school year was approved.
- The tentative FY17 budget has been approved and the public hearing will be held on September 28 at 6:45 pm.
- The board briefly discussed grants, commitments, and prior board approval.
- The board discussed and no action was taken on the director of buildings and grounds position. The position has been reposted.
- A special board meeting was scheduled for superintendent evaluation on August 23 at 6:30 pm.
