

Supporting Learning at Home

Workshop for ELL Families

Wednesday, September 16, 2015

6:00 pm at Tobin School

8501 Narragansett Ave

Burbank, IL

Join us for an interactive workshop to explore ways to enhance your child's learning at home, while connecting to current topics at school.

Learning alongside your student is a wonderful way to model your expectations for your own children.

Participants will leave with a Lakeshore product to encourage interaction and continued achievement in education.

Please return the bottom portion with your child to school.
