

Burbank School District 111 Remote Learning Open Forums

Dr. Franzy Fleck, Superintendent, is hosting open forums for parents to discuss remote learning. Although in-person instruction is best for students, families and staff, we must make the best of the situation we're in. We are looking for ways to help our families. What can the district do to make the remote learning process better for students and parents?

Please join us to share your thoughts during any of the following open forums:

Tuesday, September 15 - 12:00 pm
at Tobin School, 8501 S. Narragansett

Tuesday, September 15 - 4:00 pm
