

Burbank School District 111

District 111 is considering building an addition and moving sixth grade students to Liberty Junior High School. The district would use its bonding capacity to fund the project. Moving sixth grade to Liberty would alleviate crowding at elementary schools across the district as well as increase efficiency in curriculum.

All parents, community members, and stakeholders are encouraged to attend a town hall meeting for additional information and discussion. The topic will be the same at each meeting, so please select the date that works best with your schedule.

Community input is encouraged.

Meeting Schedule

Tuesday, September 5	6:00 pm
Wednesday, September 6	1:00 pm
* Wednesday, September 6	4:00 pm *
Thursday, September 7	9:00 am
